In ordinary sawing we cut in a commun sized log, 1 foot, in 8% seconds or 16 feet per minute. We have run, however, through an 18 feet log in 32 seconds or at the rate of 33 feet per minute, by running to the top speed we fully believe we can cut 40 feet per minute. and consequently at the lowest rates, we are enabled to compete in prices with Northern houses, while our garments in point of style and workmanship, are not excelled by those of any other house in the State. It is unnecessary to enumerate the articles of which our

stock is composed; suffice it to say that in our rooms may be found every thing pertaining to men's wear, and furnish-ing goods of the most recent style and in great variety. Our Custom Department is constantly supplied with the most desirable goods, and those preferring their garments made to order, can here find a large assortment to select from, and with an efficient force of workmen we can get up a single garment or an entire suit at very short notice. A good fit and perfect satisfaction guarantied in every instance.

P. & K.

There is a splendid line of Steamers plying regularly between New York and Philadelphia, daily at 5 o'clock,
P. M., and their freight from Philadelphia to New York is
very low. The Steamers leaving Philadelphia on Tuesday
and Friday connect with Parisen & King's Express for the
South from New York Wednesday and Saturday. Merchants
ordering their goods, from Philadelphia, to care of Parisen
& King's Express, New York, will find this a much quicker
way to get their goods, and at one-half of the cost.
